Provision for claims reversed/(made)	(g)	218	(786)	n.m.
Tax credit includes:				
Over provision in respect of prior years		-	39	(100.0)

# Notes to Consolidated Statement of Comprehensive Income

- (a) A final distribution of S\$863,000 was received from an investment that was liquidated in FY2013.
- (b) A gain of S\$63,000 was recorded following the disposal of an associate, which was classified as asset held for sale in FY2012.
- (c) Lower interest expense was due to lower utilisation of trade financing facilities from the banks as a result of reduced plastic sales.
- (d) Depreciation was higher due to higher capital expenditure incurred in respect of the office relocation.
- (e) The foreign exchange gain of S\$214,000 arose from the strengthening of the USD against the SGD.
- (f) The sale of seafood inventory by a subsidiary resulted in a write-back of inventory of S\$1.3 million.
- (g) The provision for claims of S\$218,000 was reversed following settlement with a customer.

# 1(b)(i) A statement of financial position (for the issuer and group), together with a comparative statement as at the end of the immediately preceding financial year.

Total equity and liabilities		81,526	83,083		61,619	62,392

#### Notes:

- (a) The increase in property, plant and equipment was due mainly to additional costs incurred for renovation of the new office premises.
- (b) The increase in associates was due mainly to the acquisition of an additional interest of 10.75% in Dynamic Colours Limited for S\$4.2 million and a new investment of 40% interest in Tat Hong Intraco Pte Ltd for US\$200,000.
- (c) The increase in other investments was due to the appreciation in fair value of available-for-sale quoted equity securities.
- (d) The decrease in inventories was due mainly to the reduction in seafood inventory at the subsidiary level.
- (e) The decrease in trade and other receivables and trade and other payables was in line with the reduction in sales and purchases.
- (f) The increase in loans and borrowings was due mainly to higher usage of trade financing facilities at end of the year.

### 1(d)(ii) Details of any changes in the Company's Share Capital

There are no changes in the Company's share capital.

No share options had been granted under the INTRACO Employee Share Option Scheme which was approved at an Extraordinary General Meeting held on 29 April 2013. In this respect, the Company does not have outstanding convertibles as at 31 December 2013.

1(d)(iii) To show the total number of issued shares excluding treasury shares as at the end of the current financial period and as at end of the immediately preceding year.

 As at 31/12/13
 As at 31/12/12

 Total number of issued shares excluding treasury shares
 98,725,879
 98,725,879

1(d)(iv) A statement showing all sales, transfers, disposal, cancellation and/or use of treasury shares as at end of the current financial period reported on.

The Company does not have any treasury shares as at 31 December 2013.

- Whether the figures have been audited, or reviewed and in accordance with which auditing standard or practice. The figures have not been audited or reviewed.
- Where the figures have been audited or reviewed, the auditors' report (including any qualifications or emphasis of a matter).

  Not applicable
- 4 Whether the same accounting policies and methods of computation as in the issuer's most recently audited annual financial statements have been applied.

The Group has applied the same accounting policies and computation methods used in the preparation of the financial statements for the current reporting period compared with the audited financial statements as at 31 December 2012, except for the adoption of the new and revised Financial Reporting Standards (FRS) which become effective for the financial year beginning on or after 1 January 2013.

If there are any changes in the accounting policies and methods of computation, including any required by an accounting standard, what has changed, as well as the reasons for, and the effect of, the change.

The adoption of the new and revised accounting standards referred to in paragraph 4 did not give rise to any significant changes to the financial statements.

Earnings per ordinary share of the group for the current period reported on and the corresponding period of the immediately preceding financial year, after deducting any provision for preference dividends.

#### Review of Performance

#### Revenue

Group revenue for FY2013 was S\$127.9 million, a decline of S\$33 million or 20.6% from FY2012.

Revenue from the Trading & Others segment decreased by \$\$30.9 million or 19.8 % to \$\$125.4 million in FY2013. The Plastics Division recorded a significant decreased in revenue of \$\$ 21.6 million due mainly to a shortage of resin supplies in the first half of FY2013. This shortage of raw materials, coupled with the falling selling prices of plastic products, continued to impact sales in the second half of the year and further contributed to the decline in revenue in FY2013.

Revenue from the Projects segment of S\$2.6 million was S\$2.2 million lower as a result of fewer projects secured in the face of keen market competition.

#### Other income

Other income increased by \$\$2.1 million to \$\$2.2 million in FY2013. It comprised a write-back of seafood inventory to net realisable value of \$\$1.3 million, a reversal of provision for claims of \$\$0.4 million and a foreign exchange gain of \$\$0.2 million.

#### **Administrative expenses**

Group administrative expenses increased by \$\$0.7 million or 12.2% to \$\$6.7 million in FY2013. The increase was due mainly to professional fees of \$\$ 0.5 million incurred in respect of the mandatory general offer of an associate and an increase in Director/staff salary-related costs of approximately \$\$0.2 million.

#### Finance income

Group finance income increased by S\$0.3 million to S\$1.0 million in FY2013. It comprised investment income of S\$0.9 million and interest income of S\$0.1 million.

#### Finance cost

Interest expense decreased by S\$0.1 million in FY2013 due to the lower utilisation of trade financing facilities from the banks as a result of reduced plastic sales during the year.

#### Share of profit of associates

Share of profit of associates increased by \$\$0.1 million to \$\$1.0 million in FY2013. It comprised share of profit from an associate of \$\$1.1 million and share of loss from a newly formed joint venture of \$\$46,000.

#### Group profit before tax

The Group recorded a profit before tax of S\$1.1 million, reversing the loss of S\$8.9 million in FY2012.

The Trading and Others segment reported a profit before tax of S\$1.4 million reversing the loss of S\$7.1 million in FY2012 as a result of the write-back in seafood inventory to its net realisable value of S\$1.3 million.

The Projects segment recorded a profit before tax of S\$0.5 million reversing the loss of S\$0.3 million in FY2012 as a result of the recognition of project profit S\$0.4 million and a write-back of provision for a claim of S\$0.2 million.

# Consolidated statement of cash flow

The Group's cash & bank balances increased by S\$2.2 million or 3.9% to S\$51.3 million as at 31 December 2013.

The decreased revenue contribution from the Plastic Division had caused a drop in year-end inventory and trade & other receivables by \$\$3.7 million and \$\$5.8 million respectively. Trade and other payables correspondingly contracted by \$\$4.5 million.

Cash used in investing activities in FY2013 totalled S\$5.1 million, which included additional investment in an associate of S\$4.2 million, a new investment of S\$0.2 million and S\$0.7 million for renovation of the new office premises. This was partially offset by cash from investing activities of S\$3.1 million comprising dividend income of S\$0.9 million and income from disposal of investments of S\$2.1 million.

Where a forecast, or a prospect statement, has been previously disclosed to shareholders, any variance between it and the actual results.

Not applicable

# A commentary at the date of the announcement of the significant trends and competitive conditions of the industry in which the group operates and any known factors or events that may affect the group in the next reporting period and the next 12 months.

The Group expects the business environment to remain challenging because of the uncertain global economy and intense competition in the industries and markets it operates in.

FY2013 was a year of consolidation for INTRACO and Management had devoted major effort and resources to streamline and restructure the operations of the Group to ensure its long term sustainability and prepare for future opportunities.

On 28 August 2013, INTRACO announced that it had set up a joint venture company with Tat Hong Holdings Ltd and prominent Myanmar businessman, Mr Aung Moe Kyaw, for the purpose of operating a crane rental and distribution business in Myanmar. The joint venture company is expected to commence business in 2014.

Moving forward, the Group will continue to explore new business opportunities for growth and profitability by leveraging on its Brand name and its established regional network.

#### 11 Dividend

#### (a) Current Financial Period Reported On

No dividend is declared/recommended for the current financial year.

#### (b) Corresponding Period of the Immediately Preceding Financial Year

No dividend was declared for the corresponding period of the preceding financial year.

#### 12 If no dividend has been declared/recommended, a statement to that effect.

No dividend is declared/recommended for the current financial year.
