INVOCATION OF FORCE MAJEURE BY SUPPLIER

The Board of Directors of Intraco Limited (the “Company”, together with its subsidiaries, the “Group”) wishes to announce that its subsidiary, Intraco Trading Pte. Ltd. (“ITPL”), has received a notification dated 10 March 2026 from one of its suppliers via email today invoking force majeure under the relevant supply arrangement. This is owing to the current and escalating hostilities in the Arabian Gulf as a result of the current war in the region which are now severely impacting loading of and transportation of vessels safely, including passage through the Strait of Hormuz due to its closure. Furthermore, their feedstock supply was also affected due to the military conflict in the Middle East. ITPL is seeking further clarification and information from the supplier and believe that most of this affected quantity could be replaced by other sources.

The abovementioned supplier accounted for approximately 15% of ITPL’s total purchases in the financial year ended 31 December 2025.

The Company will make further announcements should there be any material developments.
