Dear Sir/Madam

### THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

---

#### 1. INTRODUCTION

- 1.1 Reference is made to the Notice of AGM of the Company convening the AGM of the Shareholders of the Company to be on 23 April 2026 at 10.00 a.m. for, *inter alia*, the proposed renewal of the Share Buyback Mandate.
- 1.2 The proposed ordinary resolution 10 under the heading of “Special Business” in the Notice of AGM relates to the proposed renewal of the Share Buyback Mandate to authorise the Company to purchase or acquire its Shares.
- 1.3 The purpose of this Circular is to provide Shareholders with information relating to the proposed renewal of the Share Buyback Mandate to be tabled at the AGM for Shareholders’ approval.
- 1.4 The SGX-ST assumes no responsibility for the accuracy or correctness of any statements or opinions made, or reports contained in this Circular.
- 1.5 Shareholders who are in any doubt as to the course of action they should take should consult their stockbroker, bank manager, solicitor, accountant or other professional advisers immediately.
- 1.6 Wong Tan & Molly Lim LLC is the legal adviser to the Company in relation to the proposed renewal of the Share Buyback Mandate.

#### 2. BACKGROUND AND RATIONALE FOR THE SHARE BUYBACK MANDATE

##### 2.1 Background

Any purchase or acquisition of Shares by the Company would have to be made in accordance with, and in the manner prescribed by, the Companies Act, the Listing Manual and such other laws and regulations as may for the time being, be applicable. Regulation 69B of the Constitution expressly permits the Company to purchase or otherwise acquire its issued Shares on such terms and in such manner as the Company may from time to time think fit and, in the manner, prescribed by the Companies Act and the Listing Manual.

It is also a requirement under the Companies Act that a company which wishes to purchase or otherwise acquire its own shares must obtain the approval at a general meeting of its shareholders. In this regard, the renewal of a Share Buyback Mandate was previously granted by the Shareholders at the annual general meeting held on 24 April 2025.

---

## LETTER TO SHAREHOLDERS

---

The Company is proposing to seek the approval of Shareholders to renew the Share Buyback Mandate to authorise the Directors to buy back issued and fully paid Shares in the capital of the Company in accordance with the terms set out in this Circular as well as the rules and regulations set forth in the Companies Act and the Listing Manual.

### 2.2 Rationale

The rationale for the Share Buyback Mandate to allow the Company to undertake a purchase or acquisition of its Shares is as follows:-

- (a) the Share Buyback Mandate provides the Company with greater flexibility in managing its capital and share capital structure, and maximising returns to its Shareholders. Share Buyback at the appropriate price level is one of the ways through which the return on equity of the Company may be enhanced;
- (b) the Share Buyback is an expedient, effective and cost-efficient way to facilitate the return of surplus funds which are in excess of the Company's financial needs, to the Shareholders; and
- (c) the Share Buyback Mandate provides the Directors the flexibility to undertake Share Buyback at any time, subject to market conditions, during the period when the Share Buyback Mandate is in force.

The Share Buyback will only be undertaken if it can benefit the Company and Shareholders. While the Share Buyback Mandate would authorise a Share Buyback up to a 10% limit during the period described in paragraph 3.2 below, it should be noted that Share Buyback may or may not be carried out to the full 10% limit as authorised. No purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the listing status of the Shares on the SGX-ST, the liquidity and capital adequacy positions of the Company or the Group as a whole.

### 3. AUTHORITY AND LIMITS OF THE SHARE BUYBACK MANDATE

The authority and limitations placed on the purchases or acquisitions of Shares by the Company under the Share Buyback Mandate, for which the approval is sought, are summarised below:-

#### 3.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares which may be purchased or acquired by the Company is limited to that number of Shares (excluding any Shares which are held as treasury shares and subsidiary holdings) representing not more than 10% ("**Maximum Percentage**") of the issued Shares as at the date of the AGM at which the Share Buyback Mandate is approved.

For illustrative purposes, on the basis of 107,048,045 Shares in issue as at the Latest Practicable Date (excluding 6,677,834 treasury shares) and assuming that prior to the AGM:-

- (a) no further Shares are issued;
- (b) the Company does not reduce its share capital; and
- (c) no Shares are held as subsidiary holdings,

not more than 10,704,804 Shares (representing 10% of the total number of issued Shares excluding treasury shares and subsidiary holdings as at the date of the AGM at which the Share Buyback Mandate is approved) may be purchased or acquired by the Company pursuant to the proposed Share Buyback Mandate.

---

## LETTER TO SHAREHOLDERS

---

As at the Latest Practicable Date, none of the Company's subsidiaries holds any subsidiary holdings.

### 3.2 Duration of Authority

If the proposed renewal of the Share Buyback Mandate is approved by the Shareholders in the AGM, purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of AGM, up to:-

- (a) the date on which the next annual general meeting of the Company is held or required by law to be held;
- (b) the date on which purchases and acquisitions of Shares pursuant to the Share Buyback Mandate are carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied by the Shareholders in a general meeting,

whichever is the earliest.

The Share Buyback Mandate may be renewed at each annual general meeting or such other general meeting of the Company. When seeking the approval of Shareholders for such renewal, the Company is required to disclose details pertaining to purchases or acquisitions of Shares pursuant to the Share Buyback Mandate made during the previous 12 months, including the total number of Shares purchased or acquired, the purchase price per Share or the highest and lowest prices paid for such purchases or acquisitions of Shares, where relevant, and the total consideration paid for such purchases or acquisitions.

### 3.3 Manner of Purchases or Acquisitions of Shares

#### 3.3.1 Purchases or acquisitions of Shares may be made by way of:-

- (a) on-market purchase(s) ("**Market Purchases**"), transacted on the SGX-ST or on any other securities exchange on which the Shares may, for the time being, be listed and quoted, through one or more duly licensed stock-brokers appointed by the Company for the purpose; and/or
- (b) off-market purchase(s) ("**Off-Market Purchases**"), otherwise than on a securities exchange, in accordance with an equal access scheme as provided under Section 76C of the Companies Act.

#### 3.3.2 Off-Market Purchases

The Directors may impose such terms and conditions which are not inconsistent with the Share Buyback Mandate, the Listing Manual and the Companies Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. An equal access scheme must, however, satisfy all the following conditions:

- (a) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares, to purchase or acquire the same percentage of their Shares;
- (b) all of the abovementioned persons shall be given a reasonable opportunity to accept the offers made to them; and
- (c) the terms of all the offers shall be the same, except that there shall be disregarded:-
  - (i) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;

---

## LETTER TO SHAREHOLDERS

---

- (ii) differences in consideration attributable to the fact that the offers may relate to Shares with different amounts remaining unpaid; and
- (iii) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

Pursuant to the Listing Manual, if the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, it will issue an offer document containing at least the following information:–

- (a) the terms and conditions of the offer;
- (b) the period and procedures for acceptances;
- (c) the reasons for the proposed purchase or acquisition of Shares;
- (d) the consequences, if any, of the purchases or acquisitions of Shares by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (e) whether the purchases or acquisitions of Shares, if made, could affect the listing of the Shares on the SGX-ST;
- (f) details of any purchases or acquisitions of Shares made by the Company in the previous 12 months (whether by way of Market Purchases or Off-Market Purchases), giving the total number of Shares purchased or acquired, the purchase price per Share or the highest and lowest prices paid for the purchases or acquisitions, where relevant, and the total consideration paid for the purchases or acquisitions of Shares; and
- (g) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

### 3.4 Purchase Price

The purchase price (excluding related brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses) to be paid for a Share will be determined by the Directors.

However, the maximum purchase price to be paid for the Shares (excluding related expenses of the purchase or acquisition) as determined by the Directors must not exceed:–

- (a) in the case of a Market Purchase, 105% of the Average Closing Price of the Shares (“**Maximum Market Purchase Price**”); and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price of the Shares (“**Maximum Off-Market Purchase Price**”).

For the above purposes:–

“**Average Closing Price**” means the average of the closing market prices of a Share over the last five (5) Market Days on which the Shares are transacted on the SGX-ST immediately preceding the day of the Market Purchase or, as the case may be, the day of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted for any corporate action that occurs during such five (5) Market Days period and the day on which the Market Purchase is made or, as the case may be, the day of making of the offer pursuant to the Off-Market Purchase; and

---

## LETTER TO SHAREHOLDERS

---

“**day of the making of the offer**” means the day on which the Company announces its intention to make an offer for the purchase or acquisition of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Off-Market Purchase Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

The Listing Manual restricts a listed company from purchasing Shares by way of Market Purchases at a price per Share which is more than 5% above the Average Closing Price.

Although the Listing Manual does not prescribe a maximum price in relation to Off-Market Purchases, the Company has set a cap of 20% above the Average Closing Price of a Share as the maximum price for a Share to be purchased or acquired by way of Off-Market Purchases.

### 3.5 **Purchased Shares deemed cancelled unless held as treasury shares**

Shares purchased or acquired by the Company are deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Shares will expire on such cancellation), unless such Shares are held by the Company as treasury shares in accordance with Section 76H of the Companies Act. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares. At the time of each Share Buyback, the Directors will decide whether the Shares purchased will be cancelled or kept as treasury shares, or partly cancelled and partly kept as treasury shares, depending on the needs of the Company at that time.

### 3.6 **Treasury Shares**

Under the Companies Act, the Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:–

#### 3.6.1 Maximum Holdings

The aggregate number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares. Any Shares held as treasury shares in excess of such limit shall be disposed of or cancelled by the Company in accordance with Section 76K of the Companies Act within six (6) months from the date such limit is exceeded, or such further period as may be allowed by the ACRA.

#### 3.6.2 Voting and Other Rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company’s assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. A subdivision or consolidation of any treasury share is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

---

## LETTER TO SHAREHOLDERS

---

### 3.6.3 Disposal and Cancellation

Where Shares are held as treasury shares, the Company may at any time but subject always to the Take-over Code:-

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to any share scheme, whether for employees, Directors or other persons;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance of Singapore.

Pursuant to Rule 704(28) of the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares. Such announcement must include details such as the date of the sale, transfer, cancellation and/or use of such treasury shares, the purpose of such sale, transfer, cancellation and/or use of such treasury shares, the number of treasury shares which have been sold, transferred, cancelled and/or used, the number of treasury shares before and after such sale, transfer, cancellation and/or use, the percentage of the number of treasury shares against the total number of issued shares (of the same class as the treasury shares) which are listed on the SGX-ST before and after such sale, transfer, cancellation and/or use, and the value of the treasury shares if they are used for a sale or transfer, or cancelled.

### 3.7 **Source of Funds**

The Company may only purchase or acquire its own Shares out of capital as well as from its profits, in accordance with the Constitution and applicable laws. It may use internal resources or external borrowings, or a combination of both, to finance its purchase or acquisition of Shares pursuant to the Share Buyback Mandate. The Company may not purchase its Shares for a consideration other than in cash or, in the case of a Market Purchase, for settlement otherwise than in accordance with the trading rules of the SGX-ST.

The Companies Act permits the Company to purchase or acquire its own Shares out of capital, as well as from its distributable profits, so long as the Company is solvent. Under the Companies Act, it is an offence for a director or chief executive officer of a company to approve or authorise the purchase or acquisition of shares, knowing that the company is not solvent.

For this purpose, pursuant to the Companies Act, a company is solvent:

- (a) if there is no ground on which the company could be found to be unable to pay its debts;
- (b) if:
  - (i) it is intended to commence winding up of the company within the period of 12 months immediately after the date of the payment, the company will be able to pay its debts in full within the period of 12 months after the date of commencement of the winding up; or
  - (ii) it is not intended so to commence winding up, the company will be able to pay its debts as they fall due during the period of 12 months immediately after the date of the payment; and

---

## LETTER TO SHAREHOLDERS

---

- (c) if the value of the company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed purchase, acquisition, variation or release (as the case may be), become less than the value of its liabilities (including contingent liabilities).

The Directors do not propose to exercise the Share Buyback Mandate in a manner and to such extent that the liquidity and capital adequacy position of the Company would be materially adversely affected. The purchase of the Shares will only be effected after considering relevant factors such as the working capital requirement, availability of financial resources, the expansion and investment plans of the Company, and the prevailing market conditions.

#### 4. FINANCIAL EFFECTS

It is not possible for the Company to realistically calculate or quantify the financial effects of purchases of Shares that may be made pursuant to the Share Buyback Mandate as the resultant effect would depend on, *inter alia*, the aggregate number of Shares purchased, whether the purchase is made out of capital or profits, the purchase prices paid for such Shares, the amount (if any) borrowed by the Company to fund the purchases or acquisitions and whether the Shares purchased or acquired are cancelled or held as treasury shares.

The financial effects are the same whether the Shares are purchased on-market or off-market. The Company's total number of issued Shares will be diminished by the total number of the Shares purchased by the Company and which are cancelled. The NTA of the Group will be reduced by the aggregate purchase price paid by the Company for the Shares.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

Purely for illustrative purposes only, and based on the assumptions set out below:–

- (a) based on 107,048,045 Shares in issue as at the Latest Practicable Date (excluding 6,677,834 treasury shares) and assuming no further Shares are issued on or prior to the AGM and no Shares are held as subsidiary holdings, not more than 10,704,804 Shares (representing 10% of the total number of issued Shares excluding treasury shares and subsidiary holdings as at the date of the AGM at which the Share Buyback Mandate is approved) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate;
- (b) in the case of Market Purchases by the Company and assuming that the Company purchases or acquires 10,704,804 Shares at the Maximum Market Purchase Price of S\$0.40 for one (1) Share (being the price equivalent to 105% of the Average Closing Price of the Shares for the five (5) Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 10,704,804 Shares (excluding ancillary expenses such as related brokerage, commissions, goods and services tax, stamp duties and clearance fees) is approximately S\$4,281,922 (rounded to the nearest whole number);
- (c) in the case of Off-Market Purchases by the Company and assuming that the Company purchases or acquires 10,704,804 Shares at the Maximum Off-Market Purchase Price of S\$0.46 for one (1) Share (being the price equivalent to 120% of the Average Closing Price of the Shares for the five (5) Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 10,704,804 Shares (excluding ancillary expenses such as related brokerage, commissions, goods and services tax, stamp duties and clearance fees) is approximately S\$4,924,210 (rounded to the nearest whole number);

---

## LETTER TO SHAREHOLDERS

---

- (d) the consideration for the purchase or acquisition of Shares is financed entirely by internal resources of the Company;
- (e) the purchase or acquisition of Shares took place at the beginning of FY2025 on 1 January 2025;
- (f) the number of treasury shares that will be held by the Company will not exceed 11,372,587 (being the maximum number of treasury shares the Company may hold under Section 76I of the Companies Act); and
- (g) the transaction costs incurred for the purchase or acquisition of Shares pursuant to the Share Buyback Mandate were insignificant and have been ignored for the purpose of computing the financial effects,

the financial effects of the:–

- (i) Market Purchase of 10,704,804 Shares by the Company pursuant to the Share Buyback Mandate which is made entirely out of capital and held as treasury shares;
- (ii) Market Purchase of 10,704,804 Shares by the Company pursuant to the Share Buyback Mandate which is made entirely out of capital and cancelled;
- (iii) Off-Market Purchase of 10,704,804 Shares by the Company pursuant to the Share Buyback Mandate which is made entirely out of capital and held as treasury shares; and
- (iv) Off-Market Purchase of 10,704,804 Shares by the Company pursuant to the Share Buyback Mandate which is made entirely out of capital and cancelled,

on the audited financial statements of the Group and the Company for FY2025 are set out in the following pages.

The financial effects of the acquisition of Shares by the Company pursuant to the Share Buyback Mandate by way of purchases made out of profits are similar to that of purchases made out of capital. Therefore, only the financial effects of the acquisition of Shares pursuant to the Share Buyback Mandate by way of purchases made out of capital are set out in this Circular.

## LETTER TO SHAREHOLDERS

### 5. OBLIGATIONS UNDER LISTING MANUAL

#### 5.1 Dealing in Shares

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares at any time after a price sensitive development has occurred or has been the subject of a decision, until the price sensitive information has been publicly announced.

In particular, in line with the Principles of Best Practice issued by the SGX-ST in December 2017 and in order to comply with Rule 1207(19) of the Listing Manual, the Company will not purchase or acquire any Shares through Market Purchases commencing two (2) weeks before the announcement of the Company’s financial statements for each of the first three quarters of its financial year and one (1) month before the announcements of the Company’s full year financial statements (if the Company announces its quarterly financial statements, whether required by the SGX-ST or otherwise), or one (1) month before half year and full year financial statements (if the Company does not announce its quarterly financial statements), as the case may be, and ending on the date of announcement of the relevant results.

#### 5.2 Free float

Rule 723(1) of the Listing Manual requires a listed company to ensure that at least 10% of the total number of issued shares (excluding treasury shares, preference shares and convertible equity securities) in a class that is listed, is at all times held by public shareholders.

Based on the Register of Substantial Shareholders and Register of Directors’ Shareholdings as at the Latest Practicable Date, approximately 41.71% of the issued Shares are held by public shareholders. Assuming that the maximum 10% of the total issued Shares was bought back on the Latest Practicable Date, the public float will be 35.23% as set out in the table below.

	<b>Before Buyback (as at Latest Practicable Date)</b>	<b>After Buyback (as at Latest Practicable Date)</b>
Public Float	41.71%	35.23%

Accordingly, the Company is of the view that there is a sufficient number of the Shares held by the public which would permit the Company to undertake purchases or acquisitions of its Shares up to the full 10% limit pursuant to the Share Buyback Mandate, without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity.

**Although the Share Buyback Mandate would authorise the Company to purchase or acquire up to 10% of its issued Shares (excluding treasury shares), the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10% of the issued Shares (excluding treasury shares). In particular, the Directors do not intend to exercise the Share Buyback Mandate up to the maximum limit and to such an extent if such exercise would result in the loss of the public float and to affect orderly trading.**

#### 5.3 Reporting requirements

Rule 886(1) of the Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m.:-

- (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares; and

## LETTER TO SHAREHOLDERS

- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer.

Such announcement must include, *inter alia*, details of the date of the purchase, the total number of shares purchased, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares (as applicable), the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the number of shares purchased as at the date of announcement (on a cumulative basis), the number of issued shares excluding treasury shares and subsidiary holdings after the purchase, the number of treasury shares held after the purchase and the number of subsidiary holdings after the purchase.

### 5.11 Share Buybacks in the Previous 12 Months

In the 12-month period immediately preceding the Latest Practicable Date, the Company purchased an aggregate of 2,258,300 Shares by way of Market Purchases pursuant to the 2025 Mandate. The highest and lowest price paid was S\$0.390 and S\$0.325 per Share respectively. The total consideration (including stamp duties, clearing charges etc.) paid for the aforementioned Share purchases was S\$849,141.74. All Shares purchased or acquired by the Company during the abovementioned period were held as treasury shares.

## LETTER TO SHAREHOLDERS

---

### 5.5 Taxation

Shareholders who are in doubt as to their respective tax positions or any such tax implications or who may be subject to tax in a jurisdiction other than Singapore shall consult their own professional advisers.

## 6. OBLIGATIONS UNDER THE TAKE-OVER CODE

Appendix 2 to the Take-over Code contains the Share Buyback Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:-

### 6.1 Obligation to Make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of its Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him/her increases to 30% or more or, if the Shareholder and persons acting in concert with him/her hold between 30% and 50% of the Company's voting capital, would increase by more than 1% in any 6-months' period, such Shareholder or group of Shareholders acting in concert could become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code.

### 6.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons will be presumed to be acting in concert with each other:-

- (a) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated company of the above companies, any company whose associated companies include any of the above companies and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above companies for the purchase of voting rights. For this purpose, a company is an associated company of another company if the second company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company;
- (b) a company with any of its directors (together with their close relatives, related trusts and any company controlled by any of the directors, their close relatives and related trusts);
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;
- (e) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser, and all the funds which the adviser manages on a discretionary basis, where the shareholding of the adviser and any of those funds in the client total 10% or more of the client's equity share capital;
- (f) directors of a company (together with their close relatives, related trusts and companies controlled by any of such directors, their close relatives and related trusts) which is subject to an offer where they have reason to believe a *bona fide* offer for their company may be imminent;

---

## LETTER TO SHAREHOLDERS

---

- (g) partners; and
- (h) an individual, his close relatives, his related trusts, any person who is accustomed to act according to his instructions, companies controlled by any of the foregoing, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights.

The circumstances under which the Shareholders (including the Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

### 6.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors of the Company and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring its Shares:–

- (a) the voting rights of such Directors and their concert parties would increase to 30% or more; or
- (b) if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than one per cent (1%) in any period of six (6) months.

In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder who is not acting in concert with the Directors of the Company will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than one per cent (1%) in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buyback Mandate.

### 6.4 Application of the Take-over Code

Based on the Register of Directors' Shareholdings and the Register of Substantial Shareholders, as at the Latest Practicable Date, the shareholdings of the Directors and the Substantial Shareholders before and after the purchase of Shares pursuant to the Shares Buyback Mandate, assuming (i) the Company purchases the maximum amount of 10.0% of the total number of issued Shares of the Company (excluding treasury shares and subsidiary holdings), and (ii) there is no change in the number of Shares held by the Directors and the Substantial Shareholders or which they are deemed interested in, will be as follows:

Accordingly, they recommend that Shareholders vote in favour of the ordinary resolution by way of a poll in respect of the proposed renewal of the Share Buyback Mandate at the AGM.

**Shareholders should note that by voting in favour of the ordinary resolution set out in the Notice of AGM, they are waiving their rights to a general offer at the required price from Mr Charlie Ng How Kiat, MHPL, ARCPL, Mr Chew, Dr Melanie Chew, RPHPL, AIPL and/or parties acting in concert with them under Rule 14.1 of the Take-over Code who, as a result of the Company buying back its Shares, would increase their voting rights to 30.0% or more.**
