NOTICE OF ANNUAL GENERAL MEETING

Explanatory Notes on Resolutions to be passed:

- (i) The Ordinary Resolution 4 proposed in item 3 above is to approve Non-Executive Directors' fees for the financial year ending 2020. The amount is computed based on a framework comprising basic fees reflecting membership and Chairmanship of the board of Directors (the "Board") and the Board Committees; attendance fees based on the anticipated number of Board and Board Committees meetings to be held in 2020; and travel allowance.

The Directors' fee framework remains unchanged.

- (ii) The Ordinary Resolution 6 proposed in item 6 above, if passed, will empower the Directors, effective until the conclusion of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is revoked or varied by the Company in a general meeting, whichever is the earlier, to issue Shares, make or grant Instruments convertible into Shares and to issue Shares pursuant to such Instruments, up to a number not exceeding, in total, 50% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company, of which up to 20% may be issued other than on a pro-rata basis to shareholders.

For determining the aggregate number of Shares that may be issued, the total number of issued Shares (excluding treasury shares and subsidiary holdings) will be calculated based on the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time this resolution is passed, after adjusting for new Shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time when this resolution is passed, and any subsequent bonus issue, consolidation or subdivision of Shares.

The aggregate number of Shares which may be issued pursuant to the Scheme and any other share schemes which the Company may have in place shall not exceed 15% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company from time to time.
- (iv) The Ordinary Resolution 8 proposed in item 8 above, if passed, will empower the Directors effective until the conclusion of the next AGM of the Company or the date by which the next AGM of the Company is required by law to be held, whichever is the earlier, to repurchase Shares by way of market purchases or off-market purchases of up to 10% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company as at the date of the AGM at which this resolution is passed. The rationale for, the authority and limitation on, the sources of funds to be used for the purchase or acquisition including the amount of financing and the financial effects of the purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate on the audited consolidated financial statements of the Company and its subsidiaries for the financial year ended 31 December 2019 are set out in greater detail in the addendum to the annual report of the Company for the financial year ended 31 December 2019 dated 13 April 2020.
